Presidium of Scientific and Technical Council Member List

The chairman of the Presidium STC	No		Name	Position, place of work, academic degree
STC Deputy Oleg Timofeev DSc, professor, deputy director of Krylov State Research Centre		The chairman of	Konstantin	Chief Executive Officer of RS
2. chairman of the Presidium STC 3. Sergey Ayzinov PhD, head of training center, Admiral Makarov State University of Maritime and Inland Shipping, chairman of section "Human elements problems" 4. Vladimir Aleksandrov 5. Mikhail Director General of JSC "Shipbuilding & Shiprepair Technology Center" 6. Yakov Antonov Director General of Northern Shipping Company PhD, head of STS "Shipbuilding" DSc, president of STS "Shipbuilding & Shiprepair Technology Center" Technology Center" DSc, principal research officer of Arctic engineering center, Krylov State Research Center, chairman of section "Structural strength of hull and offshore units" 8. Sergey Balagura Head of Offshore Oil & Gas Facilities Technical Supervision Division of RS Head Office 9. Vladimir Baranov Deputy director of RS 10. Sergey DSc, rector of Admiral Makarov State University of Maritime and Inland Shipping 11. Georgiy Bedrik Head of Planning and Marketing Division of RS Head Office 12. Oleg Bely DSc, Deputy chairman of Saint Petersburg Scientific Center RAS 13. Aleksey Bessonov Head of Electrical Engineering and Automation Systems Department of RS Head Office 14. Maxim Boyko PhD, Head of Research Department of RS Head Office 15. Rudolf Borisov DSc, principal research officer, professor of St.	1.		Palnikov	
Presidium STC			Oleg Timofeev	DSc, professor, deputy director of Krylov State Research
Sergey Ayzinov PhD, head of training center, Admiral Makarov State University of Maritime and Inland Shipping, chairman of section "Human elements problems" Vladimir Aleksandrov Sergey Mikhail Director General of JSC "Shipbuilding & Shiprepair Technology Center" Mikhail Aleksandrov Director General of Northern Shipping Company Evgeniy Appolonov Center, Krylov State Research Center, chairman of Section "Structural strength of hull and offshore units" Sergey Balagura Head of Offshore Oil & Gas Facilities Technical Supervision Division of RS Head Office Vladimir Baranov Deputy director of RS Sergey DSc, rector of Admiral Makarov State University of Maritime and Inland Shipping Georgiy Bedrik Head of Planning and Marketing Division of RS Head Office DSc, Deputy chairman of Saint Petersburg Scientific Center RAS Aleksey Bessonov Head of Electrical Engineering and Automation Systems Department of RS Head Office Alexander Bolshev DSc, professor of St. Petersburg State Polytechnical University, chairman of section "Marine oil & gas facilities" Rudolf Borisov DSc, principal research officer, professor of St.	2.			Centre
University of Maritime and Inland Shipping, chairman of section "Human elements problems"		Presidium STC		
4. Vladimir Aleksandrov 5. Mikhail Director General of JSC "Shipbuilding & Shiprepair Technology Center" 6. Yakov Antonov Director General of Northern Shipping Company Evgeniy DSc, principal research officer of Arctic engineering Appolonov center, Krylov State Research Center, chairman of section "Structural strength of hull and offshore units" 8. Sergey Balagura Head of Offshore Oil & Gas Facilities Technical Supervision Division of RS Head Office 9. Vladimir Baranov Deputy director of RS 10. Sergey DSc, rector of Admiral Makarov State University of Baryshnikov Maritime and Inland Shipping 11. Georgiy Bedrik Head of Planning and Marketing Division of RS Head Office 12. Oleg Bely DSc, Deputy chairman of Saint Petersburg Scientific Center RAS 13. Aleksey Bessonov Head of Electrical Engineering and Automation Systems Department of RS Head Office 14. Maxim Boyko PhD, Head of Research Department of RS Head Office 15. Rudolf Borisov DSc, principal research officer, professor of St.			Sergey Ayzinov	
4. Vladimir Aleksandrov 5. Mikhail Director General of JSC "Shipbuilding & Shiprepair Technology Center" 6. Yakov Antonov Director General of Northern Shipping Company DSc, principal research Officer of Arctic engineering center, Krylov State Research Center, chairman of section "Structural strength of hull and offshore units" 8. Sergey Balagura Head of Offshore Oil & Gas Facilities Technical Supervision Division of RS Head Office 9. Vladimir Baranov Deputy director of RS 10. Sergey Baryshnikov Maritime and Inland Shipping 11. Georgiy Bedrik Head of Planning and Marketing Division of RS Head Office 12. Oleg Bely DSc, Deputy chairman of Saint Petersburg Scientific Center RAS 13. Aleksey Bessonov Head of Electrical Engineering and Automation Systems Department of RS Head Office 14. Maxim Boyko PhD, Head of Research Department of RS Head Office 15. Rudolf Borisov DSc, principal research officer, professor of St.	3.			
Aleksandrov Mikhail Aleksandrov Director General of JSC "Shipbuilding & Shiprepair Technology Center" Aleksandrov Director General of Northern Shipping Company Evgeniy Appolonov Sergey Balagura Head of Offshore Oil & Gas Facilities Technical Supervision Division of RS Head Office Vladimir Baranov Deputy director of RS Sergey DSc, rector of Admiral Makarov State University of Maritime and Inland Shipping Ceorgiy Bedrik Georgiy Bedrik Center RAS Aleksey Bessonov Aleksey Bessonov Alexander Bolshev Rudolf Borisov DSc, principal research Office of Arctic engineering center, Krylov State Research Center, chairman of section "Structural strength of hull and offshore units" Bergey Balagura Head of Offshore Oil & Gas Facilities Technical Supervision Division of RS Head Office Deputy director of RS Deputy director of RS Deputy director of RS Deputy director of RS Head of Planning and Marketing Division of RS Head Office DSc, Deputy chairman of Saint Petersburg Scientific Center RAS Head of Electrical Engineering and Automation Systems Department of RS Head Office DSc, professor of St. Petersburg State Polytechnical University, chairman of section "Marine oil & gas facilities" Rudolf Borisov DSc, principal research officer, professor of St.			Vladimir	
5. Mikhail Aleksandrov Technology Center" 6. Yakov Antonov Director General of Northern Shipping Company Evgeniy DSc, principal research officer of Arctic engineering center, Krylov State Research Center, chairman of section "Structural strength of hull and offshore units" 8. Sergey Balagura Head of Offshore Oil & Gas Facilities Technical Supervision Division of RS Head Office 9. Vladimir Baranov Deputy director of RS 10. Sergey DSc, rector of Admiral Makarov State University of Maritime and Inland Shipping 11. Georgiy Bedrik Head of Planning and Marketing Division of RS Head Office 12. Oleg Bely DSc, Deputy chairman of Saint Petersburg Scientific Center RAS 13. Aleksey Bessonov Head of Electrical Engineering and Automation Systems Department of RS Head Office 14. Maxim Boyko PhD, Head of Research Department of RS Head Office 15. Place of Shipping State Polytechnical University, chairman of section "Marine oil & gas facilities" Rudolf Borisov DSc, principal research officer, professor of St.	4.			DSC, president of \$15° Shipbunding
Sergey Balagura Head of Offshore Oil & Gas Facilities Technical Supervision Division of RS Head Office				Director General of ISC "Shiphuilding & Shiprenair
6. Yakov Antonov Director General of Northern Shipping Company Evgeniy DSc, principal research officer of Arctic engineering center, Krylov State Research Center, chairman of section "Structural strength of hull and offshore units" 8. Sergey Balagura Head of Offshore Oil & Gas Facilities Technical Supervision Division of RS Head Office 9. Vladimir Baranov Deputy director of RS 10. Sergey DSc, rector of Admiral Makarov State University of Maritime and Inland Shipping 11. Georgiy Bedrik Head of Planning and Marketing Division of RS Head Office 12. Oleg Bely DSc, Deputy chairman of Saint Petersburg Scientific Center RAS 13. Aleksey Bessonov Head of Electrical Engineering and Automation Systems Department of RS Head Office 14. Maxim Boyko PhD, Head of Research Department of RS Head Office 15. Rudolf Borisov DSc, principal research officer, professor of St.	5.			
Fundamental Processor of St. Petersburg Scientific Center RAS Aleksey Bessonov Aleksey Bessonov Aleksey Bessonov Appolonov Evgeniy Appolonov Dosc, principal research officer of Arctic engineering center, Krylov State Research Center, chairman of section "Structural strength of hull and offshore units" Bergey Balagura Head of Offshore Oil & Gas Facilities Technical Supervision Division of RS Head Office Posc, rector of Admiral Makarov State University of Maritime and Inland Shipping Georgiy Bedrik Head of Planning and Marketing Division of RS Head Office Dosc, Deputy chairman of Saint Petersburg Scientific Center RAS Aleksey Bessonov Head of Electrical Engineering and Automation Systems Department of RS Head Office Alexander Bolshev Dosc, professor of St. Petersburg State Polytechnical University, chairman of section "Marine oil & gas facilities" Rudolf Borisov Dosc, principal research officer, professor of St.	6.			
7. Appolonov center, Krylov State Research Center, chairman of section "Structural strength of hull and offshore units" 8. Sergey Balagura Head of Offshore Oil & Gas Facilities Technical Supervision Division of RS Head Office 9. Vladimir Baranov Deputy director of RS 10. Sergey DSc, rector of Admiral Makarov State University of Maritime and Inland Shipping 11. Georgiy Bedrik Head of Planning and Marketing Division of RS Head Office 12. Oleg Bely DSc, Deputy chairman of Saint Petersburg Scientific Center RAS 13. Aleksey Bessonov Head of Electrical Engineering and Automation Systems Department of RS Head Office 14. Maxim Boyko PhD, Head of Research Department of RS Head Office 15. Alexander Bolshev DSc, professor of St. Petersburg State Polytechnical University, chairman of section "Marine oil & gas facilities" Rudolf Borisov DSc, principal research officer, professor of St.				
Sergey Balagura Head of Offshore Oil & Gas Facilities Technical Supervision Division of RS Head Office	7			
8. Sergey Balagura Head of Offshore Oil & Gas Facilities Technical Supervision Division of RS Head Office 9. Vladimir Baranov Deputy director of RS 10. Sergey DSc, rector of Admiral Makarov State University of Maritime and Inland Shipping 11. Georgiy Bedrik Head of Planning and Marketing Division of RS Head Office 12. 21. Company''	21.			

22.	Andrey Gamin	Head of Planning and Economic Department of RS Head Office
23.	Boris Gorelik	DSc, professor of St. Petersburg State Marine Technical University, chairman of section "Boilers, systems, refrigerating plants"
24.	Andrey Grigoryev	PhD, Chief Executive Officer of "Electromotion", chairman of section "Electrical equipment and automation"
25.	Alexander Danilov	Counsellor of State Research Center "Arctic and Antarctic Research Institute"
26.	Vladimir Evenko	Technical director - Head of the Classification Directorate of Head office, RS
27.	Gennadiy Egorov	DSc, Chief Executive Officer of Marine Engineering Bureau
28.	Mikhail Emeliyanov	Deputy director of Central Research and Design Institution
29.	Evgeniy Igoshin	PhD, Deputy Head of Institute of Information Technologies (SMTU), chairman of section "Technology of shipbuilding and ship repair"
30.	Sergey Isakov	Head of Transport infrastructure development department, PJSC "LUKOIL"
31.	Yuri Isupov	Vice President for Ship Building and Technical Development, Group of companies "Palmali"
32.	Alexey Kadilov	Chief Executive Officer of Baltic Shippard – Shipbuilding Ltd.
33.	Igor Kopilets	Head of Classification Division of RS Head office
34.	Yuri Kostin	Deputy Head of Federal Maritime and River Fleet Agency
35.	Victor Krasavtsev	PhD, Chief engineer of Giprorybflot
36.	Mikhail Kuteynikov	DSc, head of Hull Department of RS Head Office
37.	Sergey Latukhov	DSc, head of a chair of Admiral Makarov State University, chairman of section "Safety of shipping"
38.	Victor Malyshevskiy	Doctor of technical science, professor, deputy director of Central Research Institute of Structural materials "Prometey", chairman of section "Materials and welding"
39.	Valeriy Mayansky	PhD, Chief Executive Officer of Military Register
40.	Alexander Medvedev	Chief Executive Officer of Murmansk Shipping Company
41.	Georgiy Muru	PhD, Chief Executive Officer of the 51 st Ships Repair Central Design Institute
42.	Andrey Papin	Head of RS Arkhangelsk branch office
43.	Vsevolod Peresypkin	DSc, President – research manager of Central Research and Design Institution
44.	Vladimir Rozvorskiy	Head of RS Branch for Nuclear Ships
45.	Anatoliy Sazonov	DSc, professor of Admiral Makarov State University, corresponding member of Russian Academy of Science
46.	Gennadiy Semanov	PhD, Head of department of Central Research and Design Institution, chairman of section "Environmental protection"

47.	Aleksey Sergeev	Head of Machinery Department of RS Head Office
48.	Alexander Sitov	PhD, Director of Marine Cargo Bureau
49.	Leonid Sitchenko	PhD, professor of St. Petersburg State Marine Technical University, chairman of section "Fire protection"
50.	Alexander Solovyev	General Director of PJSC "Vyborg Shipyard"
51.	Mikhail Solodovnichenko	PhD, professor of Admiral Makarov State University, chairman of section "Radio and main navigational equipment"
52.	Igor Tonkovidov	Executive Vice-President – Technical Director of PAO "Sovkomflot"
53.	Evgeny Toropov	PhD, Chief designer of the Central Design Bureau for Marine Engineering "Rubin"
54.	Evgeny Trunin	PhD, General Director of FAI Russian River Register
55.	Evgeny Turichin	DSc, Acting rector of St. Petersburg State Marine Technical University
56.	Igor Tutnov	DSc, Deputy chairman of the Scientific council – chief academic secretary of ENERGODIAGNOSTIKA LLC (ED)
57.	Pavel Filippov	DSc, Director of Scientific & Research Institute "LOT"
58.	Tatiana Chekalova	Senior secretary of Marine Board under the Government of St. Petersburg
59.	Vyacheslav Shatalov	General director of the Design Bureau "Vympel"
60.	Pavel Shikhov	Chief Operating Officer of RS
61.	Valeriy Shishkin	DSc, professor of Admiral Makarov State University, chairman of section "Machinery installations, shafting and propellers"
62.	Sergey Shishkin	Head of Classification Division of RS Head Office
63.	Jaanus Matso	Chief Captain & Marine Safety Manager Shipping company TS Laevad OÜ
